Choose Display Pack's Herb + Spice Clamshell Packaging For:

### A BETTER BRAND EXPERIENCE

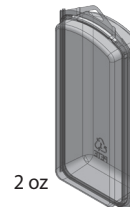

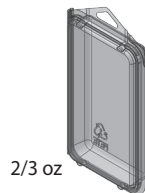

With Display Pack's clear herb + spice packaging, consumers can determine the value of the product prior to purchase while the package is still closed & secured. This equals less product loss from opened or crushed packaging while still delivering an easy-to-open solution. More dollars in your pocket & better product protection for the consumer – that's a win-win.

### 100% RECYCLABLE

Display Pack's herb + spice packaging is crafted with a recyclable clamshell in a FDA approved rPET material. Our clamshells are produced in post-industrial recycled plastic and features a #1 recycle code for superior acceptance via curbside recycling programs. Better for the environment, better for your wallet.

### QUALITY & DURABILITY

Merchandise our 2/3 oz + 2 oz clamshells via a hang hole at the top of each package or strategically stacked around the produce area of the store as a value-added product. The choice is yours.
