Single Serve Cups

We've optimized our cups for a wide variety of single serve applications...including yours.

You've perfected your product.
 We've perfected how to showcase it.

Choose Display Pack's Single Serve Cups For:

FLEXIBILITY & COMPATABILITY

Display Pack's 2, 4, and 6 oz portion cups are industry standard sizes designed for drop-in compatibility paired with other packaging solutions such as dips for produce trays or dressings with salad kits. The cups can also be sealed for use as a standalone offering.

PRIMED FOR YOUR PRODUCTION LINE

Our single-serve cups are thermoformed to run efficiently within your production line. Our cups feature a .11" flange size designed for optimal sealing within a minimal footprint.
