Entrée Containers

The perfect microwaveable solution for your
grab & go product offerings.

You've perfected your product. We've perfected how to showcase it.

Choose Display Pack's Entrée Containers For:

FLEXIBILITY

Our 32 oz entrée bases with clarified polypropylene lids are ideal for providing hot grab-and-go meal offerings. Grab-and-go offerings placed in our microwave-safe entrée containers have the flexibility to be served warm or refrigerated for reheating later. Consumers can enjoy hot meal offerings straight from the container without re-plating; making Display Pack's entrée containers ideal for today's on-the-go customer.

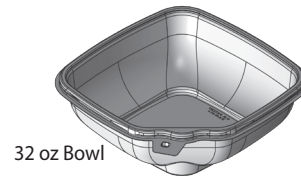

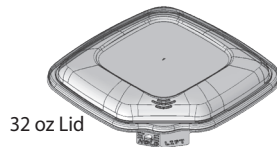

RECYCLABLE & REUSABLE

Display Pack's entrée containers are manufactured in a 100% recyclable polypropylene material. This mineral-filled material features superior rigidity and strength, even in lower gauge applications. Entrée containers manufactured by Display Pack are top-rack dishwasher safe & can be re-used for personal use.

Better for the environment, better for your wallet.

LEAK RESISTANCE, STACKING STRENGTH & SECURITY

The rail features on our entrée containers are designed to stack up to 4 containers high. This feature allows for maximum display utilization. The unique button lock closure and leak-resistant design keeps the contents secure in the container yet easy-to-open for consumers for a better brand experience.
